Skills

C++, Unreal Engine 5, JavaScript.

Education

WellCode Programing Mentoring.

- *Alongside mentors with a teaching experience of over 8 years who worked at Google & Facebook, I learned the basics of programming working in C++, and Java.*
- *I solved over 200 algorithmic problems and learned about structures and OOP concepts.*
- *By the end of the program, I start developing several web applications using JavaScript and currently working on more.*

Work Experience
